

why should you sign in to Wellvibe?

the answer is simple.

Wellvibe is a tool you can use to manage your healthcare while simultaneously putting money back in your pocket. You know how Wellvibe works now. The points you earn for playing an active role in your health add up and ultimately lead to lower premiums. If everyone participates, that creates a healthier workplace. What else does it mean? Lower healthcare costs for all! **Sign in now and see what activities you can do to save money and stay healthy.**
